To Parents of Children in Year 5 & 6

Dear Parents,

As part of our Personal, Social & Health Education and Science curriculum, Year 5/6 children will be taking part in a Sex and Relationships Education (SRE) programme.

The sessions will focus on the bodily changes of puberty and hygiene, the development of positive relationships and human reproduction.

During the sessions, the children will be watching clips from an Educational DVD. The sessions will also involve plenty of discussion and opportunities to ask questions.

If you would like to view the DVD or discuss the content of the sessions further, we would like to invite you to attend a parent's meeting at 3.20pm on Monday 18th June in the Kestrels classroom.

We will be happy to answer any questions you may have.

Year 6 parents, please note that the sessions will cover the same content as last year when the children were in Year 5 and we will use the same DVD clips. You are still more than welcome to attend the meeting.

Yours sincerely,

Mrs Stone and Miss Warsap
