Dear Parents/Carers,

We are writing to give you information about some upcoming special events in KS1.

Village Walk

On Thursday 4th October, we will be taking the children on a walk through Handcross village as part of our topic, 'Super Me!' This trip will support the children's learning in geography. We will be looking at the human and physical geography of the village, using locational and directional language and, when we return to school, we will be using what we have found out to construct maps of our school and the surrounding environment.

We are looking for additional adults to accompany us on the trip and would be very grateful if you could help us on the day. We will be leaving at 9:15am and returning at approximately 10:45am.

Please complete the slip below if you would like to accompany us on the walk. We will confirm parent helpers on Monday 1st October. **There is no cost for this trip.**

Senses Exploration Morning

To launch the 'Super Senses' part of our topic, we will have having a senses morning where the children will have the opportunity to explore and learn about the senses, for example, by taking part in smelling and tasting activities and learning about Braille.

We are asking for a contribution of **50p per child** to enable us to purchase the necessary resources. We would be very grateful if this could be paid **on School Money** by Friday 5th October.

No nut or meat products will be used. If you have any queries or concerns about your child being involved in activities involving food, please do not hesitate to speak to your child's class teacher.

Thank you for your support,
Mrs Davies and Miss Palmer
