Headteacher: Mrs Gillian Pedersen

### Evaluation of 2015/16

#### At the end of the 2015/16 academic year we reviewed the impact of the funding on our PE in school.

- Staff reported increased confidence and ability to deliver good quality PE following CPD. Staff felt supported in their CPD especially in games and athletics.
- We ensured good levels of participation of 4+ hours of physical activity across the school in years 1-6.
- Sports Crew were an important part of school life on the playground. They encouraged younger children to have fun and participate in physical activities.
- We introduced new sports such as girls cricket and programmes such as cyber coach which notably encouraged new children to become engaged in physical activity and sport.
- We held three new intra school competitions throughout the year. All KS2 children participated in each event and the entire school took part in the 'Run a marathon as a school' event. All of these were run by our PE specialist teacher and had an extremely positive impact on physical activity throughout the school.
- We participated successfully in a greater number and range of interschool competitions such as football, athletics, handball, cricket and netball.
- We maintained an effective reporting system for all sporting activities both in school and on the website
- We bought new keep fit equipment, had new sporting marks on the playground, bought new net ball goals for the playground.
